

April 2010 Rev. 033110

Sun	Mon	Tues	Wed	Thurs	Fri	Sat
<p>ACLS month: We are hoping to have a 1 day class and therefore avoid lots of OT. Pharmacology and Rhythms will be taught PRIOR TO the course. Sign up for them by 4/6.</p> <p>NOTE: Adjusted the courses for April 7th and 8th so all review is done in one day...this will allow better scheduling. MB</p>				1	2	3
